

PUBLIC NOTICE

The DEPARTMENT OF DEFENSE IRT will provide demolition services and trash/brush removal services at no cost to the City of Youngstown and its citizens. These activities will take place in the following areas:

Upper North Heights, which includes properties between Gypsy Lane to the north, Broadway Avenue to the south, Logan Avenue to the east, and Elm Street to the west.

Brier Hill/Arlington Heights, which include properties between Gypsy Lane to the north, Madison Avenue Expressway (Route 193) to the south, Belmont Avenue to the east, and US422 to the west.

Lansingville, which include properties along South Avenue from Front Street; also including properties to the east of South Avenue from Indianola Avenue to the north, Midlothian Boulevard to the south, and Shady Run to the east.

The intent of the project is to stabilize these areas and curb further population decline. Properties will be cleared of trash, brush, and debris after demolitions take place and will be available for adjacent property owners to purchase at fair market value. Questions, concerns or comments regarding the occupational, environmental or cultural impact, or any other influence that this program may have should be addressed to Mayor John McNally, City of Youngstown, 1st Floor City Hall, 26 S. Phelps Street, Youngstown, Ohio 44503. Persons who have not submitted comments by September 9, 2014, will be considered to have waived their objections to the participation of the Department of Defense IRT and the City of Youngstown in this project.
